Dear Sir or Madam:

This letter is for the purpose of requesting information pursuant to the Freedom of Information Act, 5 U.S.C. § 552, et seq., including any and all information deemed of public record and not otherwise exempt from disclosure under the above-referenced statute. Specifically, I am requesting to review paper, electronic, and microfiche copies of any and all documents in the possession of the United States Environmental Protection Agency's ("USEPA") Region V office, for the above-referenced facility, except for documents related to the Air, Water and Radiation programs. I request that any public record which is exempt from disclosure, but which contains material that is not exempt, be produced with the exempt materials only deleted.

Please notify me if the copying charges will exceed \$100.00. Thank you for your assistance in this matter. Should you require any further information regarding this request, please do not hesitate to contact me.

Sincerely,
